On Sept. 12, 2018:

Dear Public Records Officer:

This is a request under the South Carolina Public Records Law.

According to numerous news reports, Equifax Inc. has said that Attorneys General from all 50 states have been investigating/probing Equifax's actions regarding the massive info breach that the company revealed in September 2017.

I hereby request the following:

- 1) All INTERIM and FINAL/CLOSING reports, memos, and similar documents that your office has created regarding the Equifax breach.
- 2) All letters and similar correspondence sent to Equifax, informing them of your findings, requirements, etc.
- 3) All documents that Equifax has sent to your office in the course of the investigation/probe.

The requested documents will be made available to the general public, and this request is not being made for commercial purposes.

In the event that there are fees over \$10, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request be filled electronically, by email attachment if available or CD-ROM if not.

Thank you for your assistance.

Sincerely,

Russ Kick
